

**DAVIDSON
& ROBERTSON**
CHARTERED SURVEYORS • LAND AGENTS • VALUERS

Graduate Surveyor – Maud, Aberdeenshire

Job Overview

We are looking to appoint a Graduate Surveyor to join the team in our Maud office. Based between Aberdeen and Peterhead, the team service clients throughout Scotland, handling a range of work. Focussing on working for landowners and occupiers, the successful applicant would cover agricultural subsidy applications and advice, landlord and tenant matters, utility projects and general consultancy work with the ability to cover a wide spectrum of work.

To be considered for this role you must be able to demonstrate:

- A sound knowledge of the rural sector;
- Preferably with some work experience working within a similar role;
- Excellent interpersonal and client service skills;
- A good level of IT capability;

You will work as part of an energetic and driven team to help deliver the continued and future growth of the office and company.

Company Overview

Established in 1891, Davidson & Robertson (D&R) is Scotland's oldest firm of Land Agents. We are an innovative, energetic, friendly and expanding firm, with the highest professional reputation and a strong team culture. We actively invest in our people and are committed to providing training and support to enable our staff to achieve their full potential.

More information can be found at www.drrural.co.uk. If you wish to discuss the role, contact Gervase on 01771 613 717 or at GT@drrural.co.uk.

To apply please send a CV and cover letter:

Fiona Mackay (Operations Manager)
Davidson & Robertson, Riccarton Mains, Edinburgh, EH14 4AR. T: 0131 449 6212
